

Retirement Home Tour Checklist

Before you visit

- ☐ Find the home in the Retirement Homes Regulatory Authority's retirement home database and confirm it is licensed.
- ☐ Read its recent inspection reports in the same database.
- ☐ Ask for the home's itemized list of accommodation and care services, with prices.

Ask on the tour

- ☐ Does the home offer the level of care you want?
- ☐ What is included with the accommodation, what costs extra, and how much?
- ☐ When can you move in, and is there a wait list?
- ☐ Can you talk to people who live there now?

While you are there

- ☐ Visit more than once if you can, at a mealtime.
- ☐ Bring the price list with you.
